STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

Sir:

This Statement is filed to summarize telephonic interviews conducted between the Examiner and Applicants' representative on or about September 20, 2007, September 21, 2007 and October 2, 2007.

On September 20, 2007, the Examiner contacted Applicants' undersigned attorney and advised that as a result of a pre-appeal conference, all claims would be allowed if Applicants agree to several proposed changes to the claims. On September 21, 2007, Applicants' attorney advised the Examiner that the proposed changes are acceptable.

On October 2, 2007, Applicants' attorney contacted the Examiner to inquire as to the status of the present case. The Examiner advised that the allowance of this case has been counted and that the time for response to the April 5, 2007 final Office Action has been stopped (3-month extension fee was charged to Deposit Account 06-1205). The Examiner provided the

undersigned with a copy of a printout from PALM INTRANET, showing that the allowance has been counted (copy attached).

Accordingly, Applicants believe that the application has been allowed and that no further action is needed by October 5, 2007 (6 months from the mailing date of the final Office Action). Should Applicants' understanding be incorrect and the timing for response to the final Office Action is not stopped, this paper should be treated as an RCE, the fee for which may be charged to the above-noted Deposit Account, to prevent abandonment of the application. The June 29, 2007 Amendment is to be treated as a submission required under 37 C.F.R. § 1.114.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

/Jason M. Okun/
